

Tilehurst Globe Newsletter 2020

Some of the things we have done in 2019 and some of the things we will do in 2020

Planting Bulbs and Wildflowers

We spent quite some time in 2019 planting bulbs and flowers, such as crocuses, bluebells and foxgloves, on the bunds in Walnut Way and Links Drive to make them all look pretty again. Keep an eye out to see how you can help.

In 2020 we will do more planting round and about. We look for people to grow plants on from seed to give the plants the best start.

Planting Trees

In 2019 we had a session where we mapped sites where we would like new trees. We sent our list in to the Reading Tree Wardens. In turn we had a vote for our best 10 from the list. In 2020 we may have the chance to get the new trees planted.

Working with Other Groups

In 2020 we will continue to work with other groups, such as the Guides and Feel Good Friday, to make our surroundings nicer.

Reading Biodiversity Action Plan

At the beginning of the year, the council will draw up a new plan. You can have your input into it and have your say (look on our website for more information). But we will also see how we can promote biodiversity in Tilehurst and encourage local wildlife, flora and fauna to thrive.

Follow us on Facebook and check our website regularly to see what we are doing - and have your say. Also look out for posters displayed on our board and in shop windows, businesses and the library with details of our meetings and events. Make sure we have your email address to get regular mailings.

We are very grateful to the local businesses who give us their support and help. You enable us to continue to operate as a community group. Thank you. We would encourage people to use their local services and businesses to ensure that Tilehurst stays sustainable as a viable village - a good place to live work and play.

Keep recycling your **used domestic batteries**

And at Tilehurst Library

Tilehurst Village Butchers

We will always be grateful for the help and support we received from all at Tilehurst Village Butchers for many many years. Their sponsorship and encouragement was invaluable. We miss your cheerfulness and good humour.

Good luck to you all.

Tilehurst Globe

Your local community group

Our Free Leaflets

We have produced 5 leaflets describing Circular Walks in Tilehurst and a leaflet about the Drinking Fountains and Cattle Troughs in Tilehurst. We have also produced a booklet called Memories of Tilehurst. All our leaflets are free for you to pick up from Tilehurst Library or at the show. On our website we have Mike Keep's "Short History of Tilehurst".

Our Websites

Keep having a look at our website, www.tilehurst-globe.org.uk, to find out the latest news and projects we are involved in. We also have two other websites: www.walkontheweb.org.uk, which maps out a walk round the parks in Tilehurst and complements the Circular Walks leaflets, and www.tilehurstmemories.org.uk, which includes the memories from the booklet and many more memories about Tilehurst. They are both worth a peek.

Our Stall at the Show

As usual we will take a stand at the show in Victoria Rec which this year is on June 6th. We are known for our free fun quiz (the winners get fantastic prizes donated by local businesses) and this year will be no exception. We will also hand out our free leaflets and promote local activities.

Our Litter Teams

Volunteers give their time to clear up rubbish, helping make Tilehurst a more pleasant place to live in. You could help by adopting a space to keep tidy or you could help our current volunteers. Ask how you can join us.

Can you help?

We are always looking for volunteers to help out with projects and day to day jobs.

TILEHURST GLOBE CALENDAR 2020

- Public Holidays
- Outdoor events (look out for posters for these events)
- Stall at local show
- Meetings usually 7.30 - 9.00 pm
