A really hard and nerdy Jubilee Quiz - But it is free and fun or maybe not

Because it is really hard (will be surprised if anyone can do it -
but you are welcome to have a go)

Her majesty has celebrated all these anniversary years as Queen and now she has reached her 70th jubilee as Queen

This is a number of celebratory jubilee years	What is the common name for this number of jubilee years?	What are the letters that go with this common name? (Look on the board)	What are the numbers that go with these letters? (Look on the board)
6	Iron	Fe	26
7	Copper	Cu	29
10	Tin or sometimes Aluminium	Sn	50
25	Silver	Ag	47
50	Gold	Au	79
70	Platinum	Pt	78

And finally - what have these particular jubilee years got in common?

They are anniversaries or jubilee years named after metals
