Tree planting - where would we want trees

Green

	1	Scours Lane	Anti Traveller
	2	Portmaron Road	Anti Traveller Oak
	3	Pottery Road by the bung	Anti Traveller
	4	Mayfair	Big trees
	5	Water Tower and Park Lane	Ornamental
	U		
	6	Battle Library	Ornamental
	7	Water Road	
	8	Fircroft Close open area	Several mixed
	9	Play area by Reading West	Ornamental
	10	Dark Lane Fairford	
	11	Verges by Norcot school	
	10		Direk trace
	12	Birch copse school	Birch trees
Blue			
	1	Side of Clinic Corwen Road	Replace dead cherry with at least 2 more variety? Crab / cherry
	2	Walnut Way island inside bund	more trees
	3	Walnut Way island inside bund	more trees
	4	Landsdown road	more trees inside bund
	5	Landsdown road	more trees inside bund
	6	Several trees allotment edge	Silver birch?
	7	Several trees allotment edge	Silver birch?
	8		Because of limited possibilities for planting tree on main roads, donate trees for back gardens. Cl9imate change, etc, shade, get additional descention of the state of the st
	9		
	10	Armour Road/Lower Armour Road	
	12 13	Latter Day Saints Church on Meadway	Ornamental Trees
	13 14	Latter Day Saints Church on Meadway	Ornamental Trees
	14	Victoria Rec edge	Oak Tree to add to vista
	16	Victoria Rec edge	Red Hawthorn
	10		
Yellow	v		
	4	Meller	These are belling which should be sufficient these surgers of these traces and should be should be also to d
	1	Mcilroys	There are hollies which should be cut since they suppress other trees and about 50 more should be planted
	2	By Motor Tower	Inside the hadee along the road by WT
	2	By Water Tower	Inside the hedge along the road by WT
	3 ⊿	Inside Meadow Park school hedge along Norco	t A long line of trees would look good and suitable for children to enjoy
	4	Inside Meadow Park school hedge along Norco Along Meadway	t A long line of trees would look good and suitable for children to enjoy Many of the verges have trees planted
	4 5	Inside Meadow Park school hedge along Norco Along Meadway Norcot - footpath through to Potteries estate	t A long line of trees would look good and suitable for children to enjoy
	4 5 6	Inside Meadow Park school hedge along Norco Along Meadway Norcot - footpath through to Potteries estate Open space on wealden Way in the Potteries	at A long line of trees would look good and suitable for children to enjoy Many of the verges have trees planted There is a verge on each side suitable for planting trees
	4 5	Inside Meadow Park school hedge along Norco Along Meadway Norcot - footpath through to Potteries estate Open space on wealden Way in the Potteries Blagrave at the back of the horticultural hut	t A long line of trees would look good and suitable for children to enjoy Many of the verges have trees planted
	4 5 6 7	Inside Meadow Park school hedge along Norco Along Meadway Norcot - footpath through to Potteries estate Open space on wealden Way in the Potteries	t A long line of trees would look good and suitable for children to enjoy Many of the verges have trees planted There is a verge on each side suitable for planting trees There is a trees that needs replacing
	4 5 6 7 8	Inside Meadow Park school hedge along Norco Along Meadway Norcot - footpath through to Potteries estate Open space on wealden Way in the Potteries Blagrave at the back of the horticultural hut	t A long line of trees would look good and suitable for children to enjoy Many of the verges have trees planted There is a verge on each side suitable for planting trees There is a trees that needs replacing
	4 5 6 7 8	Inside Meadow Park school hedge along Norco Along Meadway Norcot - footpath through to Potteries estate Open space on wealden Way in the Potteries Blagrave at the back of the horticultural hut New bund by Links drive	A long line of trees would look good and suitable for children to enjoy Many of the verges have trees planted There is a verge on each side suitable for planting trees There is a trees that needs replacing A few trees would make a barrier
	4 5 6 7 8	Inside Meadow Park school hedge along Norco Along Meadway Norcot - footpath through to Potteries estate Open space on wealden Way in the Potteries Blagrave at the back of the horticultural hut New bund by Links drive	A long line of trees would look good and suitable for children to enjoy Many of the verges have trees planted There is a verge on each side suitable for planting trees There is a trees that needs replacing A few trees would make a barrier Pat likes laburnum
